(d) the reasons for not following the transfer rules; and

(e) by when those officers will be transferred who are working at the same place/office for the last five years?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI TAPAN SIKDAR): (a) Details in respect of MTNL are given below:

	Account Officers (AOs)	Sub Divisional Engineers (SDEs)	Divisional Engineers (DEs)
Delhi	08	205	29
Mumbai	10	404	61

(b) and (c) The transfer of officers is being done by MTNL after a stay of six years.

†Original notice of the question was received in Hindi.

(d) Rotational transfer in respect of officers are being effected periodically. The last rotational transfer in case of DEs was effected in May, 2000. In case of SDEs, the last rotational transfer was done in December, 1998. Transfer in cadre of SDEs could not be done due to non availability of technology trained officers for replacement in the units like transmission and installation. Also due to the process of calling of options for Group A&B officers by MTNL about 60 SDEs have already been transferred and 100 more have applied for transfer out of MTNL, Mumbai. This has reduced the manpower of SDEs in important areas and hence, MTNL could not rotate the SDE within MTNL, Mumbai since 1999.

(e) Action is already in progress for transfer of officers during the current year of 2001.
